EASTER BUNNIES

IMPORTANT!
Stick this token on your postcard!

FIND THE HIDDEN EASTER BUNNIES

Count this as one!

Our artist has hidden some EASTER BUNNIES in the pictures in this week's BUSTER. When you have found all you can, write on a postcard: "THERE ARE . . . EASTER BUNNIES" (filling in the actual total). Add your name and address, then cut out the special entry token from the top of this page and attach it to your postcard. Post your entry to: BUSTER EASTER BUNNIES SEARCH, 55 EWER STREET, LONDON SE99 6YP, to arrive not later than Wednesday 15th April, 1981 (no entries will be judged before this date).

All postcards received in time will be checked, and those giving the correct total of Easter bunnies will go into the BUSTER LUCKY DIP. The senders of the first 20 entries drawn from the 'barrel' will each receive a £5 postal order.

The winners will be announced in a future issue of BUSTER. No correspondence will be entered into. The Editor's decision is final.

ANOTHER VINTAGE BUSTER COVER

This week's oldtime Buster cover is from the year 1973. Here are some of the notable events of that period.

- There was a shock result in the Cup Final that year when Sunderland of the Second Division beat the favourites, Leeds United.
- Differences between Britain and Iceland over fishing rights led to the "Cod War".
- The pop sensation of 1973 was the Osmonds - a family group from America.
- The biggest social event of the year was the marriage of Princess Anne to Captain Mark Philips.
- Around Christmas, petrol rationing was introduced along with a 55mph speed limit. There was a three-day working week and plenty of power cuts.

WATCH OUT FOR ANOTHER OLDTIME BUSTER COVER NEXT WEEK!

1 HELLER AND JOHNNY GET TOGETHER TO BRIGHTEN THE DAY

WHAT CAN I DO TODAY?

Johnny was wondering what to do one day, when he remembered he had some pocket money left. 'Can I go shopping with you, Mum?' he asked.

I LIKE THIS HELLER KIT

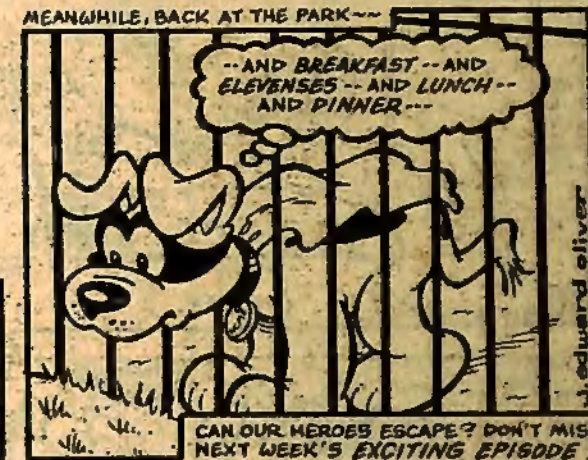

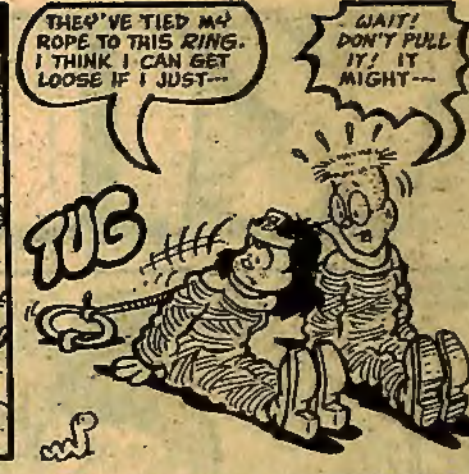

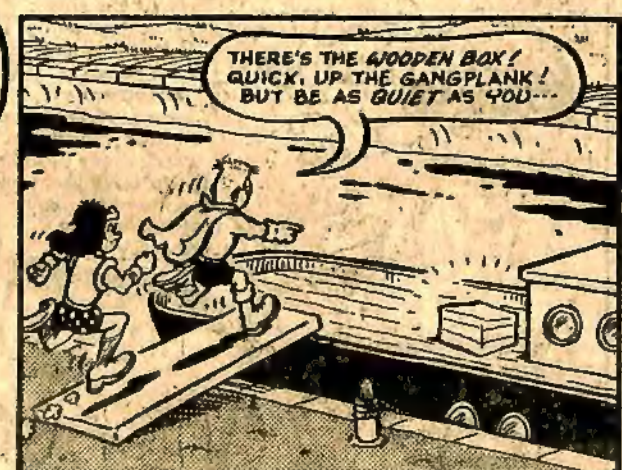

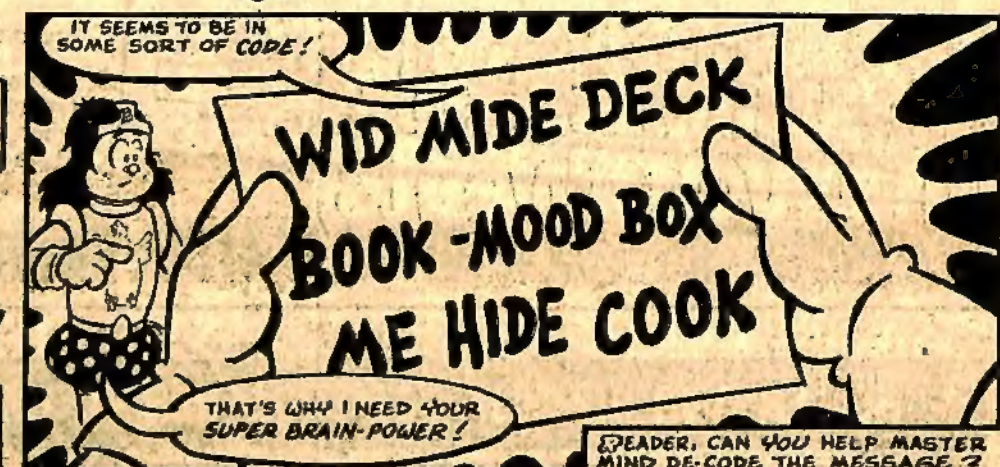

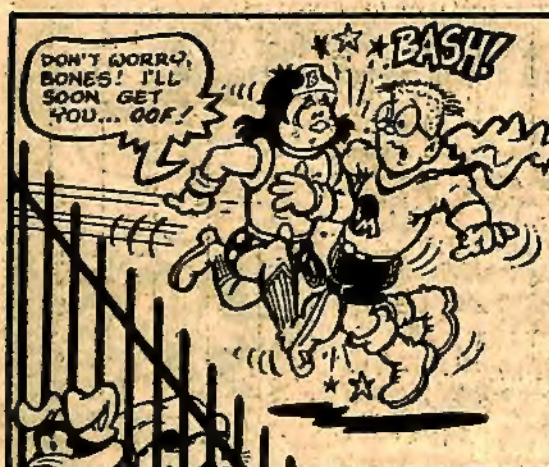

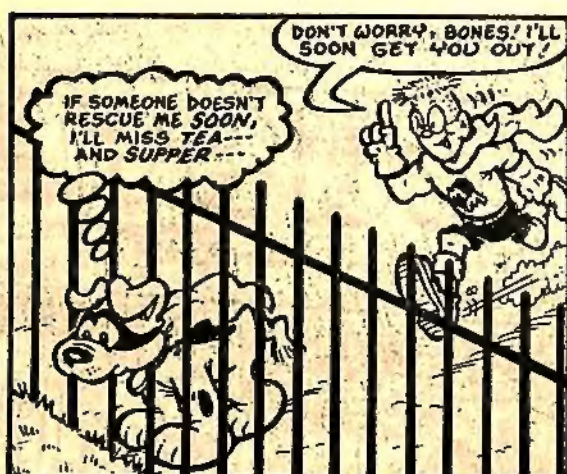

At the shops he saw some Heller model kits and, although he'd never made a model himself, he'd often watched his brother, David, build them and had heard him say that Heller kits were really good.

WOW! IT'S JUST LIKE A REAL RANGE ROVER!

'I'd like to try to build one myself', he thought. 'Now, which model shall I buy - there's such a lot to choose from'. Johnny chose a car and, when he got home, he started to build the kit with some help and advice from his brother, David. When the model was finished, Johnny couldn't believe it. It was just great! Just look at the detail - I must show this to my pal, Steve.

HI KIDS! I'M ROBBIE ROBOT

My computer makes sure that every Heller kit you buy is perfect in every detail, so that your model is just like the real thing.
